Sunday's Forecast – A low pressure system will move into Arizona bringing windy conditions to the area, especially during the afternoon and evening hours. The wind will peak out of the west and west-northwest 15-25 gusting to 30-35 mph at times. This system is moisture starved and no precipitation is expected at this time. Temperatures will be cooler with highs struggling to reach the mid 60s.

Forecast prepared by meteorologist Stewart Williams.
