Winds (mph)	SE→S 15-20 G25-30	SSW 15-25 G35-40	NNW 15-20 G30

**Extended Forecast** – Southerly winds will provide warmer temperatures this weekend with partly cloudy skies and highs around 80 degrees Saturday and upper 80s on Sunday. It will become windy once again by Saturday afternoon 15-20 gusting 30 mph with stronger winds expected on Sunday out of the south-southwest 15-25 gusting to 35-40 mph. An approaching cold front will bring another round of showers and thunderstorms late Sunday night and continuing into Monday.

Forecast prepared by meteorologist Stewart Williams.
