Extended forecast – Friday, dry conditions are expected with partly cloudy skies. Much of the day will see west-northwest breezes but winds may become more southwest by mid to late afternoon. Saturday, dry weather likely holds with partly cloudy skies, though a few showers are possible in the evening. Winds will be light from the northeast to east. Sunday, mostly sunny skies and dry conditions will be in place. Light west-northwest breezes Sunday morning will turn out of the southeast in the afternoon.

Forecast prepared by meteorologist Kyle Schanus.
