Extended forecast – Friday, a weak front shifting south of the area may bring an isolated or t-storm but the highest chances remain to our south. T-storm chances mainly focus in the afternoon after 2pm. Light north-northwest breezes will be seen on Friday. For the weekend, dry and slightly cooler with partly cloudy skies. Winds on Saturday will be light and will turn from northeast early to east in the afternoon. Sunday, winds will be more easterly, reaching up to 10-16 mph at times in the afternoon.
