Extended Forecast – A ridge builds across the central U.S. through the rest of the week, providing hot and dry conditions. Temperatures will top out in the upper 90's to near 100F each afternoon, while near record warm lows in the 70's are expected at night. Mostly sunny skies are set to continue with more clouds expected on Sunday. Southerly winds at 10-15 mph will be in place each round, gusting to near 20 mph during the afternoon hours. Gusts near 25 mph are anticipated for the final round on Sunday.
