Additional Notes

- Last year's renovation included all bunkers, adding of 8 bunkers, building 7 championship tees, changing intermediate rough to tall fescue.

- An August 2020 tornado downed a 250-year-old white oak, which allowed moving the 14th green back 60 yards. In 5 minutes, 300 trees were felled in the tornado.

- Urbanski was South Course superintendent from 1999-2002.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.

- Cold spring did not allow fine turf surfaces to break dormancy until late May/early June.
- Maintenance staff maintains the original orchard consisting of apples, pears, peaches and walnuts (approximately 100 trees) to the north of the property.
- Wilmington Country Club is an Audubon Certified Cooperative Sanctuary.
- Environmental steps include the installation of 44 bluebird, 5 purple martin and 3 bat boxes. The club recaptures stormwater from buildings to replenish the main irrigation reservoir. Maintenance staff uses GPS sprayers to reduce pesticide usage.
- Wildlife on the course include fox, deer, raccoon, rabbits, squirrels, turtles, eagles, hawks, ospreys and other birds.

- Routing will intertwine the front and back nine:

Tournament Hole – South Course Hole

1 – 10
