2010 FedExCup champion **Jim Furyk** is arguably one of the most consistent grinders on the PGA TOUR. He's had at least 7 top 10's in each of his last 6 seasons on TOUR dating back to 2005. In 2008 & 2009 he was a model of consistency, carding the most top 10's on TOUR without a win (20 top 10's in 49 starts over 2 years).

In 2010 **Jim Furyk's** perseverance paid off as he carded a career-high 3 wins including the Valspar Championship, the RBC Heritage, and the TOUR Championship.

**Furyk** was the first FedExCup champion to be ranked outside the top 5 entering the TOUR Championship (11<sup>th</sup> ranked player entering the week).

**Jon Rahm** has the best Scrambling percentage of any player in the FedExCup Playoffs (min 35 rds). Rahm has managed to salvage par in 226 of 335 total attempts.

**Winner Notes:** Six winners (seven times) in the Playoffs have been perfect from greenside bunkers (*more than 2 attempts*) en route to their respective wins. **Justin Thomas** has accomplished this twice going a perfect 5 of 5 from the sand en route to winning the 2017 Dell Technologies Championship & 3 of 3 at the 2019 BMW Championship; **Patrick Cantlay** last season at East Lake GC went a perfect 5 of 5 from the sand; **Tiger Woods** went a perfect 9 for 9 when he won the 2009 BMW, **Jim Furyk** was a perfect 9 for 9 en route to his victory at the 2010 TOUR Championship and **Brandt Snedeker** was 100% out of the bunkers going 4 of 4 for the week at East Lake GC in 2012 and **Phil Mickelson** went a perfect 7 for 7 from the sand at the 2007 Dell Technologies Championship.

**Hole-out for the 2012 Champion:** On the 17<sup>th</sup> hole in 2012 (now hole 8), Snedeker hit his 2<sup>nd</sup> shot onto the fringe 28' 6" from the cup. In 2012, Brandt relied on his short game, especially in the final round only hitting 9 of 18 greens in regulation. Snedeker managed to chip in for birdie to take a four-shot lead going into the 72<sup>nd</sup> hole; where he ended up winning by three. In the final round, Snedeker was only the 5<sup>th</sup> player to birdie the 17<sup>th</sup> hole due to the tough pin placement (front left) over a bunker with water left.

### Greenside Bunker Performance at East Lake GC - 2010 FedExCup Champion

At the 2010 TOUR Championship, **Jim Furyk** was faced with an 18-yard bunker shot on the 72<sup>nd</sup> hole. In 2010, the TOUR average for sand saves from 10 to 20 yards was 54%. The average bunker shot on TOUR lands 9 feet 6 inches from the hole. Entering the week, Furyk ranked 134<sup>th</sup> on TOUR for sand saves from 10 to 20 yards with a success rate of just 49%. Jim went on to hit his bunker shot 2 feet 5 inches from the hole and clinch trophies for both the TOUR Championship and the 2010 FEC.

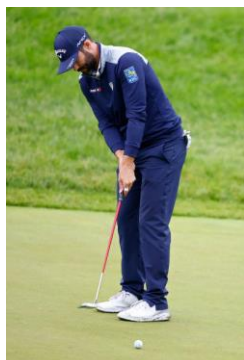

If he had missed the 2' 5" putt and gone on to lose in a playoff to Luke Donald, **Furyk** would have ended up seventh in the final FedExCup standings. The bonus money for seventh pays \$700,000 -- so it would be fair to say that the final putt was potentially worth \$9.3 million. Jim's perfect 9 for 9 was just 2 off his career high on the PGA TOUR for sand saves in an event (he went 11 for 11 at the '09 WGC-Dell Tech Match Play). No player has hit more bunkers and kept a perfect save record in the history of the TOUR Championship at East Lake.

### Water Shot on 17<sup>th</sup> Hole (now hole 8) - 2<sup>nd</sup> playoff hole - 2011 FedExCup Champion

On the 2<sup>nd</sup> playoff hole (17<sup>th</sup>), **Bill Haas** hit his 2<sup>nd</sup> shot into the greenside water to the left of the 17<sup>th</sup> green and managed to successfully get the ball up and down to force another hole. For the week, five players hit their 2<sup>nd</sup> shots in the water on the 17<sup>th</sup> hole in regulation play and all made bogey or worse. Since 2004, Haas is the only player to successfully salvage par or better after hitting his 2<sup>nd</sup> shot in the water on the 17<sup>th</sup> hole at East Lake GC.
