Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.
