Temp (min/max)	68/82 20/28	69/82 20/28	71/80 22/27
Winds (mph)	E 10-15	E→SE 10-15	SE 10-15

**Extended forecast** – High pressure to the north will provide another dry day on Saturday with comfortable humidity levels. Warmer and more humid conditions return Sunday as the winds shift out of the southeast. Scattered showers and isolated thunderstorms will become possible Sunday night into Monday as a trough develops near the Bahamas increasing the instability across the region. Scattered showers and isolated t-storms will continue into Tuesday before drier conditions return on Wednesday.
