Additional Notes

- Fuzzy Zoeller was the consultant on the design of the golf course.
- TPC Summerlin was the first golf course in Nevada to be certified as an Audubon Cooperative Sanctuary as it preserves and protects natural wildlife habitats.
- Two new practice putting greens have been added to the facility since last year's event.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to nearly 19,000 members in more than 75 countries. GCSAA's mission is to serve its members, advance their profession and enhance the enjoyment, growth and vitality of the game of golf.
