Today – Dry and sunny with an inconsistent breeze this morning that should diminish for the afternoon hours. Expect north-northwesterly winds to increase to 10-15 mph sustained at times, with a few localized gusts near 20 mph possible before winds lay down for extended periods of the morning. The temperature will top out in the mid 70s, while the overnight low will be in the upper 40s.

Sunrise: 6:48am / Sunset: 5:05pm

Extended forecast – Dry conditions will continue through the weekend. Windy conditions will arrive after 4-5pm Friday afternoon and will continue throughout the day on Saturday as an upper-level trough digs southward across the Great Basin and along the CA/AZ border. Peak wind gusts of 25-30 mph are forecast for Friday evening and Saturday morning. Slightly breezy conditions may continue Sunday morning before slackening for the afternoon.
