

# This week on the PGA TOUR: The Genesis Invitational at Riviera Country Club

## Aon Insight

The 10th at Riviera Country Club is rightfully praised as one of the great risk-reward holes in all of golf. The numbers say, though, that the decision here isn't whether to go for the green - it's knowing where you cannot miss with your tee shot. Going for the green and missing right will lose players 0.2 strokes, on average, compared to a miss left.

### What is the Aon Risk Reward Challenge?

The Aon Risk Reward Challenge is a season-long competition on the PGA TOUR and LPGA Tour testing the abilities of the world's best players to make thoughtful, strategic decisions on the most challenging holes (“Aon Risk Reward Challenge holes”) throughout the year

At the end of the regular season, the most consistent player across each tour, with the lowest average score under par, on the Aon Risk Reward Challenge holes captures the \$1 million prize.

Aon is committed to a diverse workforce and an inclusive culture where everyone can thrive, ensuring delivery of the best innovative solutions for clients. As such, providing equal prize money to both the PGA and LPGA Tours aligns with Aon's core values and brand.

### Aon's Risk Reward Challenge Scoring

One hole is selected at each tournament as the designated Aon Risk Reward Challenge hole for the week (hole is strategically challenging in nature)

For every participating event, a player's best two scores on the designated hole counts towards the season-long leaderboard

The player with lowest average score under par across the regular season wins the Aon Risk Reward Challenge
