Today – A chilly start this morning with temperatures in the upper 40s. Sunny skies will help temperatures moderate into the upper 60s to low 70s this afternoon. Gusty Santa Ana winds are expected to develop this morning across the mountains into the afternoon. Some of this wind could translate into the Los Angeles area between 10am-3pm with wind gusts to 30 mph cannot be ruled out.

Sunrise: 637am / Sunset: 538pm

Extended forecast –Off-shore flow and warm temperatures continue of Friday with highs in the low 70s. We will likely squeeze out one more warm day on Saturday before on-shore flow returns Saturday night into Sunday with patchy fog possible and cooler temperatures. The next system will drop south late Monday into Tuesday that could produce a few showers.
