THE SECOND PLAYING OF THE ASCENSION CHARITY CLASSIC PRESENTED BY EMERSON

Volunteers, fans, and the PGA TOUR Champions professionals are excited to build on the success of last year's inaugural tournament that witnessed the return of professional golf to St. Louis and Norwood Hills Country Club.

One of the best fields on PGA TOUR Champions... This elite roster of 78* players collectively represent 226 PGA TOUR Champions victories, including 21 senior major championship titles.

The field also contains 14 PGA TOUR major championship wins and four World Golf Hall of Fame members, including Ernie Els, Bernhard Langer, Collin Montgomerie, and José María Olazábal. Eight of the top-10 players in the Charles Schwab Cup ranking are represented, including four of the top-5: Steven Alker (No.1), Padraig Harrington (No.2), Jerry Kelly (No.3), and last week's winner on PGA TOUR Champions Steve Stricker (No. 5). Stricker and Harrington will both be making their first starts at next week's Ascension Charity Classic. Since Harrington's PGA TOUR Champions debut last October, the Irishman has racked up eight top-5 finishes over 12 starts, including two wins and four runner-up efforts.

The world-class field also features the current Senior Open Championship winner Darren Clarke, PGA TOUR Champions reigning Rookie of the Year Jim Furyk, defending Ascension Charity Classic champion David Toms, Masters winner Mike Weir, fan favorite John Daly, and Ascension Ambassadors St. Louis native Jay Williamson, PGA TOUR Champions rookies Justin Leonard and David Duval, and 2022 Payne Stewart Award winner Billy Andrade.

One of the primary objectives of the Ascension Charity Classic presented by Emerson is a genuine, philanthropic vision. To that end, the tournament has established a legacy of giving in North St. Louis County and beyond and in 2021 the inaugural playing of the Ascension Charity Classic raised more than \$800,000 for charitable organizations in North St. Louis County and beyond. The total included \$200,000 for each of the tournament's primary beneficiaries, Marygrove, Boys & Girls Clubs of Greater St. Louis (BGCSTL), and Urban League of Metropolitan St. Louis (ULMSTL).

Additionally, First Tee of Greater St. Louis and PGA REACH Gateway—the two benefiting charities of the tournament's 2021 Legends Charity Challenge presented by World Wide Technology each received a donation in the amount of \$30,000 as a result of the exhibition match held on Saturday, Sept. 11, featuring Jack Nicklaus, Tom Watson, Ozzie Smith, Craig Berube, and special guest Hale Irwin.

In 2020—despite not hosting a tournament due to the pandemic—the Ascension Charity Classic donated \$225,000 in support of North St. Louis County communities, bringing the official PGA TOUR Champions event's total charitable donations since the inception to more than \$1 million.

Economic impact and exposure for the region

- Local estimated economic impact exceeds \$10 million for a standard PGA TOUR Champions event.
- Exposure... With more than 10 hours of live television coverage for the Ascension Charity Classic presented by Emerson, reaching over 400 million households, a national and international spotlight shines on North St. Louis County, along with the entire region, during tournament week.

SUGGESTIONS:

- Interview volunteers and fans about their excitement for the second playing of the Ascension Charity Classic at Norwood Hills Country Club.
- Interview charity representatives from Marygrove; the Urban League of Metropolitan St. Louis; and Boys & Girls Clubs of Greater St. Louis regarding the charitable impact from the Ascension Charity Classic so far, and what's to come.
