Yardage: 6,909

Stimpmeter: 12-13

### Course Statistics

Average Green Size: 5,500 sq. ft.

Acres of Fairway: 35

Acres of Rough: 15

Number of Sand Bunkers: 36

Number of Waste Areas: 21

Number of Water Hazards: 14

Number of Holes Water is in Play: 6

Soil Conditions: Sandy

Water Sources: Well

Drainage Conditions: Good

### Turfgrass

Greens: TifEagle ultradwarf bermuda .115"

Tees: Zorro and Trinity zoysiagrass .300"

Fairways: Celebration bermudagrass .375"

Rough: Celebration bermudagrass 1.75"

### Additional Notes

- The facility has hosted three tour events in the last four months (including this week). The LPGA's CME Group Tour Championship took place in November and the PGA's QBE Shootout was in December (both on the Gold Course).

- The courses do not close before or after events with guest play up until Sunday of tournament week. This challenges the agronomy staff to always maintain great conditions with so much play.
