**Extended Forecast** – Mostly clear skies will be in place tonight with mostly sunny skies in place tomorrow. Partly cloudy skies will develop by Sunday with an increase in cloud cover expected by Monday. Low temperatures will range from the lower to mid-60s with highs ranging from the lower to mid-80s. As high pressure continues across the region dry conditions will persist during the period. Afternoon wind gusts to 15 mph will be possible tomorrow with gusts around 20 mph on Sunday afternoon. The strongest winds of the period will arrive on Monday when afternoon gusts around 25 mph will be possible.

Forecast prepared by meteorologist Marcus Hustedde.
