Additional Notes

- A combination of labor shortage and above average rainfall as created a tough spring for the maintenance team.

- Founders Course superintendent Travis Cook was recognized as the Golf Course Superintendents Association of America inaugural Emerging Leader Award in January.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
