**Today** – A cold front will move through Sioux Falls late this afternoon, however shower/T-storm development favors areas to the east. The forecast will mention a 10% chance for development near the course between 3-7pm, otherwise dry conditions are expected throughout the day. Skies likely become mostly sunny during the afternoon with temperatures reaching the lower 80s. Southwest winds should gust near 20 mph this afternoon. **Sunrise: 7:08am / Sunset: 7:33pm**

Day	Tonight	Sunday	Monday
Sky			
Weather	Increasing Clouds	Mostly Cloudy/ Sprinkles Poss.	Partly Cloudy

Winds (mph)	Becoming N/NW 4-8	N/NE 6-12	S/SE 8-14 G22

**Extended forecast** – A weak disturbance will pass overhead Sunday with increasing cloud cover tonight into tomorrow. This disturbance could squeeze out some sprinkles during the day Sunday, however measurable precipitation is not expected. A warm front will move through on Monday with warmer and breezy conditions developing.

Forecast prepared by meteorologist Kyle Koval.
