Additional Notes

- Jack Nicklaus and his team re-grassed the course and made minor changes in 2014, including reducing number and size of bunkers and re-contouring a few greens.

- A complete renovation of the golf course will occur in the spring, including routing, irrigation and drainage.

- Course was fortunate to be outside of Hurricane Ian but did get 4" of rain and wind damage causing several days of clean-up.

- Sam Snead was once the head pro.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
