**Extended forecast** – Sunday will be more humid as a warm front moves into the region. Showers and thunderstorms will also become likely by the afternoon. Shower activity is possible during the morning hours and the threat for thunderstorms increases by afternoon. Rainfall may be heavy at times. Temperatures will be in the upper 70s to lower 80s. Winds will be south-southwest 8-16 mph with higher gusts possible within thunderstorm activity.

Forecast prepared by meteorologist Jeff Kendra.
