Tomorrow – A strong cold front will push into Nebraska Sunday. Showers/T-storms may be ongoing Sunday morning, however most of this activity should focus closer to the South Dakota/Nebraska border. A lull in precipitation is possible between 10am-2pm before showers/T-storms develop along the cold front between 2-6pm. The front should completely clear the area by 6pm. Forecast rainfall: 0.25-0.50" with locally up to 1.00". **Sunrise: 6:31am / Sunset: 8:27pm**
