## THE TROPHY

### The Butterfield Bermuda Championship Trophy

The Butterfield Bermuda Championship trophy is made from Bermuda cedar. There isn't much that could be more Bermudian than Bermuda cedar. This sturdy, aromatic indigenous tree formed a cornerstone of early British settlement in the islands. When English settlers came to Bermuda in the 1600s they found cedar trees growing abundantly. Soon they put this majestic wood to use, building houses, ships, churches, furniture and even a cedar prison in St. George's.

In 1944 Bermuda cedars suffered a tragedy when a form of fungus, attacked the trees. Ten years later, 90 percent of Bermuda cedars were gone. Reforestation took place over many years, but still today old, well-cured cedar logs are very rare.

To honour their special day Bermudian newlyweds plant a cedar tree as a symbol of their growing life together and often have a sapling on the top of their wedding cake.

The Butterfield Bermuda Championship trophy was made by carpenter Clarence Benjamin Lee. Now 73, Mr. Lee started working at Village Carpentry at the age of 15 as an apprentice and never left.

Village Carpentry was started by George Trott in 1935 and taken over by Jeremy Johnson in 1980. Although they have made many special pieces for prominent Bermudians, none were as special as the pair of cedar chairs given to Prince Charles and Lady Diana as a gift from Bermuda celebrating their nuptials.

Mr. Lee felt honoured to make the trophy for the Butterfield Bermuda Championship.

**PORT ROYAL GOLF COURSE**

***Welcome to Port Royal Golf Course home of stunning ocean views, breathtaking Bermuda landscapes and one of the greatest holes in golf.***

Ranked among the world's best public golf courses by Golf Digest and named Bermuda's finest course by the New York Times, Port Royal features 18 championship holes over 6,842 manicured yards, the longest and most picturesque course in all of Bermuda.

Designed by world-renowned architect Robert Trent Jones Sr. in 1970, Port Royal has recently undergone a \$14.5 million renovation, a complete makeover spearheaded by original design team member Roger Rulewich in preparation for the 2009/2010 PGA Grand Slam of Golf. With the support of the Bermuda Government, Port Royal is now one of the world's premier public golf courses boasting TifEagle greens, a state-of-the art irrigation system and sweeping ocean views from nearly every hole. Add to that its' 300-yard oceanfront driving range and the course's luxurious clubhouse and your Port Royal experience is sure to be unforgettable.

In addition to welcoming you and your guests for a perfect day of golf, Port Royal is proud to host corporate, society or charity events and tournaments throughout the year. Your clients and colleagues will longingly reflect on a superb day in paradise made possible by our professional staff's gracious hospitality and warm Bermudian charm.

Those left with any question might consider Port Royal's signature hole. Widely regarded as one of the greatest par threes in golf, the 16th hole is a 235-yard crescent-shaped beauty with nothing but the Atlantic Ocean between the tee and the pin. Experience it for yourself and you too will understand why Port Royal is indeed the number one golf course in Bermuda.

## **HOW TO PLAY PORT ROYAL GOLF COURSE**

### **FRONT 9 3,460 yards**

**Hole #1 – 438-yard PAR 4                      2022 Average 3.967                      Rank - 8**

A dogleg with a downhill opening tee shot sees trouble left and right. Big hitters beware of the pond lying in wait. A well protected opening green with water and sand to punish any errant approach shots.

**Hole #2 – 553-yard PAR 5                      2022 Average 4.509                      Rank - 17**

This is a serious par 5, three-shot hole. Water off the tee gives way to a left to right sweeping dog leg, trees left and right with bunkers to threaten the off-center shot. You will need to play for position on the 2nd shot. This gives way to a short iron approach to a raised green well protected on all sides by deep bunkers.

**Hole #3 – 148-yard PAR 3                      2022 Average 2.836                      Rank - 14**

A fairly short but challenging par 3 with a lake covering most of the ground between the teeing area and the hole. The large green displays some interesting subtleties and is well defended by large traps. You will need all your concentration on this picturesque hole.

**Hole #4 – 458-yard PAR 4                      2022 Average 4.076                      Rank - 5**

A stunning dogleg par 4 which requires a well struck tee shot to the corner – beware of the bunkers guarding the right side! Your second shot is to a raised green, well protected by deep bunkers. An off-line hit can end up in serious trouble here. The three sectioned green will also require plenty of care. It is stroke index 1 and you will understand why.

**Hole #5 – 380-yard PAR 4                      2022 Average 3.773                      Rank - 15**

Do not be fooled into thinking this is respite time! A right to left dogleg, bunkered on both sides, requires a good straight hit to open up one of the biggest greens on the course. Get it wrong here and the green will bite you hard.

**Hole #6 – 370-yard PAR 4                      2022 Average 3.894                      Rank - 11**

A straight away shot is required, but play conservatively. The bunker complex is designed to catch the big shot here. The second shot requires skill and judgment. The raised green is surrounded by a vicious run off and bunkers that will demand all your skill to get the ball close to the pin.

**Hole #7 – 517-yard PAR 5                      2022 Average 4.418                      Rank - 18**

A long, sweeping dogleg where risk and reward will pay off. But watch out from the tee as bunkers are positioned to catch an off-line tee shot. The elevated green is large and undulating creating an exposed position – but don't let the breathtaking views distract you.

**Hole #8 – 213-yard PAR 3                      2022 Average 3.116                      Rank - 3**

This is a demanding par 3 and the large green perched on the ocean will present the golfer with a challenge. Bunkers surround the target and beware – the ocean awaits the long ball. A par here is a hard-earned achievement.

**Hole #9 – 383-yard PAR 4                      2022 Average 3.960                      Rank - 9**

A challenging tee shot, straight up hill between the well positioned traps, will leave you with a long second to an elevated green. Get this wrong and one of the pot bunkers will snap you up. The green is a challenge in itself with some interesting breaks on it. Your work is not done till you see the ball drop!

## **HOW TO PLAY PORT ROYAL GOLF COURSE**

### ***BACK 9 3,368 yards***

**Hole #10 – 350-yard PAR 4                      2022 Average 3.854                      Rank - 13**

A short par 4, dogleg left. A well-positioned tee shot is required here, as the well bunkered fairway will catch the risktaker. A gentle rise reveals a large, contoured green. Make sure you find the right area of the green with your second shot.

**Hole #11 – 443-yard PAR 4                      2022 Average 3.919                      Rank - 10**

A long, straight, downhill par 4. The green is not visible from the tee but a good drive, favoring the right side, will set up a downhill second shot onto a well-guarded green. The big hitter could find themselves with a wedge for their second here, depending on the wind direction. The green is well contoured and will provide some challenges for a badly positioned approach.

**Hole #12 – 383-yard PAR 4                      2022 Average 3.879                      Rank - 12**

A good, testing par 4. An uphill tee shot over the rise, being careful of the fairway traps positioned on the right side, will leave a short shot to a very tight target. The green is well bunkered and you will need precision to get the ball close here. Watch out for the run offs.

**Hole #13 – 235-yard PAR 3                      2022 Average 3.164                      Rank - 1**

A very demanding par 3 downhill to a kidney shaped green. Some punishing run offs and well-placed bunkers require a good, solid, straight shot.

**Hole #14 – 393-yard PAR 4                      2022 Average 4.101                      Rank - 4**

This is the start of a spectacular run home. A well struck, accurate drive is required. The elevated tee leads down to a dogleg left, tree lined on the left with a large fairway trap on the right that will collect the errant tee shot. A demanding second shot to a large, elevated green that will not be visible for a player who is out of position from the tee. Beware of the steep run offs to the right of the three-contoured green.

**Hole #15 – 412-yard PAR 4                      2022 Average 4.005                      Rank - 6**

A dogleg to the right, with the ocean on the left and a steep run off to the right. Two well placed traps on the left of the fairway must be avoided, so play for position from this tee. A risk/reward shot is available with a well struck drive down the right leaving a short iron in to a well-protected, undulating green. Achieving par here is a challenge.

**Hole #16 – 235-yard PAR 3                      2022 Average 3.118                      Rank - 2**

This is truly one of the most spectacular holes in world golf. The tee shot will require a solidly hit shot across the ocean to a green perched high above the ocean on its own peninsular, A well bunkered green offers the player a small target to find and, with the prevailing winds, this hole has the ability to fool the strongest of minds. A shot to the right will be safe from the ocean but missing the traps will be a challenge. Good Luck.

**Hole #17 – 507-yard PAR 5                      2022 Average 4.589                      Rank - 16**

The prevailing wind will punish you here and a well-positioned tee shot is necessary. The water on the left will make the big hitter think and the well trapped right side will certainly favor the conservative player. The second shot is all about position and an accurate layup is required to leave a challenging third shot to a raised green, but beware of the run off. An undulating green caps off this challenging par 5.

**Hole #18 – 410-yard PAR 4                      2022 Average 3.980                      Rank - 7**

A long, straight, uphill par 4 requiring a well struck tee shot to a tiered fairway with bunkers left and right – this is a visually excellent hole. The second shot to a raised green will test your skill set and be sure to take an extra club for this shot to the three-tiered front to back sloping green. You will face a constant challenge to the end on this hole.
