Today – Cold front currently over central Texas this morning will drop southeast and arrive in Houston around 4pm today. Warm temperatures and light winds are forecast ahead of the front with high temperatures in the lower 80s again today. A slight chance of thunderstorms will enter the forecast after 1pm with chances increasing by 4pm as the front pushes through Houston. Winds will shift to the north after 4pm and temperatures will drop quickly. Rain is likely this evening with a quarter inch expected.

Extended forecast – A cold airmass will settle across the state of Texas this weekend with high temperatures near 60 degrees on Saturday and Sunday. Northerly winds will gust from 15-25mph on Saturday and then shift to the east on Sunday at 8-15mph. Rain returns to the forecast on Monday with a reinforcing shot of cold air expected to arrive on Tuesday.

Forecast prepared by meteorologist Wade Stettner.
