Extended forecast – Warm temperatures are forecast ahead of the front on Friday and could reach the lower 80s once again. The cold front is expected to arrive in Houston around 4pm Friday with scattered thunderstorms possible ahead of the front and showers behind the front. Temperatures will drop rapidly after 4pm as winds shift to the northwest. Cool and breezy conditions are forecast Saturday with a high in the lower 60s and north winds at 15-25mph. Cool temperatures continue into Sunday with winds shifting to the east. Rain returns to the forecast on Monday.

Forecast prepared by meteorologist Wade Stettner.
