Additional Notes

- Tiburon hosted the LPGA's CME Group Tour Champ. Nov. 16-19 and will host PGA TOUR Champions Chubb Classic in Feb.
- Course received 4.28" or rain on Wednesday prior to first round of CME and none since then.
- Average fairway widths in landing areas are 50 yards (no rough).
- Area had extreme drought this summer with rain fall 20" below average in record heat. Turf recovery has been a major challenge, particularly in the fairways.
- Course lost more than 350 trees to Hurricane Ian in September 2022.
- Land was formerly a tomato farm and tomato plants will pop up in native areas.
- Irrigation replacement project in 2024.
- Staff member Steve Guarsco is known as the "Director of Divots."

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 20,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
