**Extended forecast** – Dry conditions will persist throughout the tournament week. High-level clouds may drift in from the southwest on Sunday, leading to partly cloudy skies or slightly filtered sunshine at times. Winds are forecast to behave similarly each day, remaining light and variable through 10am before turning southwesterly at 7-13 mph (11-21 kph) through the early afternoon as the sea breeze moves inland. After 1pm each afternoon anticipate that southwesterly winds will increase to 10-15 mph (16-24 kph) with gusts in the 16-20 mph (26-32 kph) range up through sunset. Temperatures will start out in the lower to middle 60s Fahrenheit (17-19°C) each morning before warming into the lower 80s Fahrenheit (27-28°C) each afternoon
