

This week on the PGA TOUR: RBC Heritage at Harbour Town Golf Links

Aon Insight

In 2022, more than 37% of the field made birdie or better at the 15th hole at Harbour Town. A strategically placed tee shot gives players their best opportunity to keep pace. Favoring the right side of the hole with the drive is the play here: over the last 5 years, players in the right fairway are more than twice as likely to go for the green in two as players in the left fairway. That's huge, as players who go for this green in two average about one-quarter of a stroke better than those who lay up.
