Distance vs. Accuracy

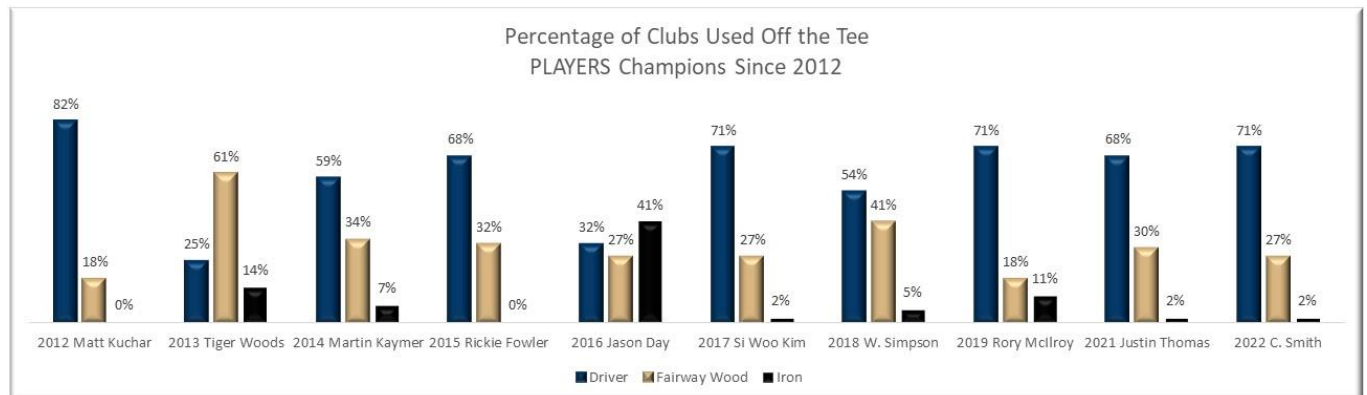

Six of the last 19 PLAYERS Champions have ranked inside the top 10 for Driving Accuracy en route to victory.

Five of the last 19 PLAYERS Champions have ranked inside the top 10 for Driving Distance en route to victory.

2016 PLAYERS champion, Jason Day was the first to average over 300 yards in Driving Distance (311.6) and Rory McIlroy (2019) joined Day as the only two champions to average over 300 yards in Driving Distance of the last 19 PLAYERS champions.

Club Selection Off the Tee

The last eight PLAYERS champions have had very different club selection from the tee on the par 4s & 5s on THE PLAYERS Stadium Course. 2021 PLAYERS champion Justin Thomas hit driver on 68% of the par 4s and 5s at THE PLAYERS Stadium course, 30% of the time he used a fairway wood and chose an iron off the tee two percent of the time in 2021.

Last season, 100% of the field elected to hit Driver on the eleventh hole, marking the high percentage of drivers used on any hole at THE PLAYERS Stadium Course in 2022. The par-4 tenth hole had 64.8% of the field hit a fairway wood off the tee at the 2022 PLAYERS and the par-4 sixth hole had 22.7% of the field hit an iron off the tee, marking the highest percentage of Fairway Woods and Irons used off the tee respectively.
