The RSM Classic

PGA TOUR players looking for a laid-back playing experience at one of the world's finest resort golf facilities could hardly do better than to make a date for The RSM Classic on Georgia's Golden Isles. Contested at historic Sea Island Golf Club in the picturesque Golden Isles, the Classic enters its thirteenth year as a PGA TOUR event, with 21-time PGA TOUR Champion and 2022 US Presidents Cup Team Captain Davis Love III and his Foundation once again steering the ship. Sea Island is the only resort in the world to achieve Forbes Five-Stars ratings fourteen years in a row. More than a dozen touring pros train at Sea Island Golf Performance Center and/or call the Golden Isles of Georgia home, including:

John Augenstein	Brian Harman	Andrew Novak
Jonathan Byrd	Garrick Higgo	JT Poston
Harris English	Zach Johnson	Spencer Ralston
Joey Garber	Patton Kizzire	Grayson Sigg
Will Gordon	Davis Love III	Davis Thompson
Ben Griffin	Keith Mitchell	Michael Thompson

The tournament is named for title sponsor RSM US LLP.

RSM's purpose is to deliver the power of being understood to clients, colleagues and communities through world-class audit, tax and consulting services focused on middle market

businesses. The clients RSM serves are the engine of global commerce and economic growth, and RSM is focused on developing leading professionals and services to meet their evolving needs in today's ever-changing business environment.

RSM US LLP is the U.S. member of RSM International, a global network of independent audit, tax and consulting firms with 51,000 people across 123 countries. For more information, visit rsmus.com, or connect through Facebook, Twitter and/LinkedIn.

The tournament, which was originally named The McGladrey Classic, was rebranded in 2015 when McGladrey LLP united with fellow firms of its network in order to better reflect its global capabilities and changed its name to RSM.

In 2021, Talor Gooch won with a 3 shot lead over Mackenzie Hughes and tied The RSM Classic tournament record score (-22) in the process. This win was his first career PGA TOUR victory. Gooch held the solo 36-hole lead and had a 3 stroke lead going into the final round.

There have been six playoffs in the first twelve years of The RSM Classic. In 2019, Tyler Duncan bested Webb Simpson on the second hole. In 2016, Mackenzie Hughes won in a Monday playoff with Camilo Villegas, Henrik Norlander, Blayne Barber and Billy Horschel. In 2014, Robert Streb won in a playoff with Brendon de Jonge and Will McKenzie. In 2011, Ben Crane won in a playoff with Web Simpson.

TOURNAMENT NOTES

Every year of The RSM Classic, the Champion has been decided by one stroke or by playoff with the exceptions of 2015, 2017, and 2021. In 2015, Kevin Kisner won with a 6 stroke lead and in 2017 Austin Cook won with a 4 shot lead. Last year’s event saw a 3 shot victory by Talor Gooch.

The vision of tournament host Davis Love III for the event in his hometown has been simple: give players an enjoyable but demanding test at Sea Island Golf Club and do it in a relaxed setting that offers a wonderful experience for pros, their families, caddies, sponsors, volunteers and spectators.

Davis played in eleven RSM Classics, making the cut for weekend play six times. Love flirted with victory in the 2012 event, finishing in a tie for fourth place, four shots back, with Brendon de Jonge and D.J. Trahan at 12-under 268. Love's best round in The RSM Classic is a 5-under 65, shot in both the 2012 and 2010 events on the Seaside course (par 70) and a 5-under 67 in 2018 on the Plantation course (par 72).

Contested each of the first five years solely on the Seaside Course, the 2015 RSM Classic began employing its sister course, Plantation, and increased its field from 132 to 156.

The RSM Classic has impacted the lives of thousands in the Golden Isles and across the nation through charitable contributions totaling almost \$29 million since its inception. The Davis Love Foundation was established in 2005 by Love and his wife, Robin, to support local and national community-based programs which focus on children and families. Among the charities that have been assisted are the Boys & Girls Club of Southeast Georgia and Special Olympics.

Revenue for charity also has been enhanced by RSM's Birdies Fore Love initiative, Friends of the Foundation, and the Wiffle® Ball game between TOUR players and their wives.

“Our Foundation is committed to positively impacting children and family charities through the dollars raised by The RSM Classic,” said Love. “It is our privilege to continue the PGA TOUR's tradition of giving back.”

“Stewardship has been one of RSM's core values since our firm was founded 97 years ago,” said Doug Opheim, chief financial officer with RSM US LLP and chair of the RSM US Foundation. “I am in awe of this year’s Power of Love leaders Victoria Parks, Krayton Koski and Marit Plowman for harnessing the caring nature of our people across the U.S., Canada, India and El Salvador, as well as many of our clients, to support the communities where we live and work.”

Last year’s RSM Classic saw Gooch pocketing \$1,296,000. from a total purse of \$7.2M. Previous winners' checks were:

2020 – Robert Streb (~19) \$1,188,000.
2019 – Tyler Duncan (~19) \$1,188,000.
2018 – Charles Howell III (~19) \$1,152,000.
2017 – Austin Cook (~21) – \$1,116,000
2016 – Mackenzie Hughes (~17) – \$1,080,000
2015 – Kevin Kisner (~22) – \$1,026,000
2014 – Robert Streb (~14) – \$1,008,000
2013 – Chris Kirk (~14) – \$990,000
2012 – Tommy Gainey (~16) – \$720,000
2011 – Ben Crane (~15) – \$720,000
2010 – Heath Slocum (~14) – \$720,000

All eleven RSM Classic Champions shot even-par or better in each of the four rounds of their victory, with Crane's 70 in 2011's second round and Duncan's 70 in 2019's third round the only scores not in the 60s. Tommy Gainey, Sebastian Munoz and Tyler McCumber share the course record low-round score of 60. Gainey's came in the final round in 2012. Munoz and McCumber's came in 2021 in round one and round four, respectively.

Champions scores are:
2021 – Talor Gooch – 64-65-67-64
2020 – Robert Streb – 65-63-67-68
2019 – Tyler Duncan – 67-61-70-65
2018 – Charles Howell III – 64-64-68-67
2017 – Austin Cook – 66-62-66-67
2016 – Mackenzie Hughes – 61-67-68-69
2015 – Kevin Kisner – 65-67-64-64

2011 – Ben Crane – 65-70-67-63
2010 – Heath Slocum – 66-66-66-68

In the year following his victory, Kirk has the best showing of any of the first eight RSM Classic Champions. The 2013 champion tied for fourth in 2014, two shots back of eventual champion Streb.

In 2021, Streb was cut.

TOURNAMENT CHAMPIONS - 2010 - 2017

2010 – Heath Slocum (–14)

Heath Slocum held off three contenders – each of whom shot 66 in the final round -- with a 68, nipping Bill Haas by one shot. Ten players finished within four shots of the inaugural champion.

2014 – Robert Streb (–14)

A logjam of 11 players finished within four shots of the three-way playoff won by Robert Streb. Robert Streb fired a near-flawless round of 63 on Sunday, then turned back Will MacKenzie and Brendon de Jonge in a sudden-death playoff. Streb enjoyed his finest season as a pro that season, playing in all four majors, plus The Players Championship.

2011 – Ben Crane (–15)

Ben Crane unleashed a putting display for the ages as he birdied six holes on the back nine to rally from seven shots back with 11 holes to play. He defeated Webb Simpson on the second playoff hole. Nine players were within five shots of making the playoff, including major champions Louis Oosthuizen, Angel Cabrera and Trevor Immelman.

2015 – Kevin Kisner (–22)

Kisner held the lead in every round with the exception of the second which was lead by Kevin Chappell. Kisner's six stroke win was the largest in tournament history. Previously, one shot (3 times) was the largest margin of victory. Kisner's six shot win is the largest on TOUR since Jason Day won the BMW Championship by six shots.

2012 – Tommy Gainey (–16)

Tommy "Two Gloves" Gainey flirted with a 59 on Sunday, settled for a 60 and then had to sweat it out as three major champions, Love III, Jim Furyk and David Toms, took runs at the top of the leaderboard. None were able to catch Gainey, with Toms finishing second by a shot.

2016 – Mackenzie Hughes (–17)

Mackenzie Hughes, who led outright each of the first three rounds, posted a 69 in the final round to get to 17-under and join a playoff. After two holes, competition was suspended. On Monday, Hughes rolled in a 15-foot putt to claim his first career PGA TOUR victory.

2013 – Chris Kirk (–14)

Chris Kirk became the first UGA graduate to win The RSM Classic, shooting his third 66 of the week in the final round. Kirk, who moved from St. Simons Island to the suburbs of Atlanta just a month before the tournament, needed every birdie as Briny Baird and Tim Clark charged hard. Clark eventually shot a 62.

2017 – Austin Cook (–21)

Austin Cook converted a three-shot lead into a four-stroke victory with three birdies in his last four holes in his first start at The RSM Classic. As a former golfer at the University of Arkansas, Cook competed at Sea Island four years during the SEC Championships. J.J. Spaun finished alone in second.

TOURNAMENT CHAMPIONS - 2018 - 2020

2018 – Charles Howell III (–19)

Charles Howell III notched his third career PGA TOUR victory and first since 2007 (a span of 11 years, 9 months and 333 starts) with a birdie on the second playoff hole over Patrick Rodgers. Charles held the solo 18-, 36- and 54-hole leads, while Rodgers recorded the best closing 36-hole score in TOUR history (61-61 --123).

2020 – Robert Streb (–19)

Robert Streb became the first player to win The RSM Classic for a second time when he defeated Kevin Kisner with a birdie on the 2nd playoff hole. This was Robert's second PGA TOUR win, the other coming in 2014. Streb held a 3 shot lead going into the final round, and his 68 on Sunday was enough to tie Kisner and force a play off.

2019 – Tyler Duncan (–19)

Tyler Duncan won his first PGA TOUR event when he made birdie on the second playoff hole to beat Webb Simpson (his 2nd playoff loss at The RSM Classic). Tyler shot 67 and 61 in the first two rounds of the tournament for a 2 shot lead but a 70 on Saturday left him 4 strokes behind. Duncan shot the best score of the day on Sunday (65) to earn his playoff spot.

2021 – Talor Gooch (–22)

Talor Gooch won his first PGA TOUR event by three strokes over runnerup Mackenzie Hughes (who was a previous winner here in 2016). Talor shot rounds of 64, 65, 67, and 64 to finish –22, tied for the lowest tournament score since its inception.

DEFENDING CHAMPION - TALOR GOOCH

Talor Gooch won his first PGA tournament event in his 104th start with a tournament tying record score of 22 strokes under par. He held the outright lead after the second and third rounds. With the win, he moved to No. 1 in the FedExCup standings for the first time in his PGA TOUR career.

During The RSM Classic tournament week in 2021, Talor had a 298.1 yard driving average, hit 83.3 % GIR, and had 1.677 strokes gained putting.

INCLEMENT WEATHER POLICY

Observe the leaderboards throughout the golf course for "Weather Warning" signs that will appear prior to inclement weather moving into the area. When this sign appears, spectators are advised to take precautions *prior* to play being suspended. If the siren sounds, seek shelter immediately.

Avoid the following – Open areas, bleachers, hilltops, high places, isolated trees, bodies of water, golf carts and metal or wire fences.

HOLE DESCRIPTIONS -PLANTATION COURSE - FRONT NINE

Hole #	Plantation Course – Front Nine
1	At this generous opening hole, a drive down the left side of the fairway will open up the green for the approach. The two-tiered green with swale through the middle will call for an accurate approach.
2	One of the shorter par fours on the course, the drive here must challenge the bunkers on the right side of the fairway or the player will face tree trouble on the approach. A lofted second shot is needed to carry the front bunker at this elevated green.
3	This long par three has a strong “false front” and is protected by bunkers on the left. The large green provides multiple hole locations and the open front allows for run-up approaches. Par is a good score here.
4	This long par five won't be reached by many players in two shots. Generous width off the tee leads to a more difficult lay-up as players must negotiate a lake down the left and central bunkers in the fairway. The green is well protected with bunkers, making a birdie on this hole a true accomplishment.
5	A long par four, this hole demands an accurate tee shot. Once in the fairway, the player is faced with a wide but shallow green. Missed shots right of the green will find a large bail out area providing an opportunity for recovery.
6	This medium-length par four has no fairway bunkers but accuracy is still a premium. Players must be on the correct side of the fairway to get an open look into one of the course's smallest greens.
7	This island par three green, the largest green on the course, makes an inviting target. Hole locations on the large undulating green can make hitting the green only the first test to overcome for par.
8	This par five will be reachable depending on the wind. With bunkers on both sides of the fairway, players hitting good drives have the opportunity to reach the green, but must negotiate a lake running the right side of the fairway. A back right hole location provides a tough shot even with a short iron.
9	A long par four, this hole is tree lined and features a large ridge protecting the left side of the fairway. Players hitting the fairway will be faced with a long second, but the open entry to the green and large chipping swale will allow for run-up shots and recovery opportunities.

HOLE DESCRIPTIONS -PLANTATION COURSE - BACK NINE

Hole #	Plantation Course – Back Nine
10	This short, drive-able par four provides the golfer with numerous options. The boldest player may try to go for the green, but danger lurks with the left edge of the green guarded by the water. More conservative players face a lay-up decision to avoid the “principal's nose” bunkers. Once negotiated, the players will find a small, gently undulating green surface.
11	Flanked by bunkers on both sides, this medium length par three is open in front. Multiple hole locations on its large green will demand high quality approach shots with a mid-iron.
12	This par four calls for a driver for some off the tee, while others may hit a fairway wood to avoid trouble. A second shot to this green provides challenge with cross bunkers, with care need to avoid going over the green into the lake.
13	With a lake on the left and out of bounds on the right, this may be the most difficult driving hole on the course. Once finding the fairway, the player will need to negotiate the large bunker guarding the right two thirds of the green protecting this “bowl” green.
14	The split fairway on this medium length par five requires decision making off the tee, but can be reachable with a good drive. The large, slightly undulating green is receptive to both long and short approaches while subtle green contours separate the green into multiple hole locations.
15	This short par four will require a lay-up off the tee for most players. Native areas protect the left side of the fairway but a well-placed tee shot will give the player a good view of the smallest green on the course. Two accurate shots will be required to hit this green in regulation.
16	The shortest par three on the course doesn't necessarily make it the easiest. With a deep pot bunker front left of the two-tiered green, an approach to the center and two puts will make for a good par.
17	A well-placed tee shot is critical at this lay-up hole. Bail out right and the view of the green will likely be blocked by the ridge. Take on the lake left of the fairway to get a good look at the green. A short second will follow a good drive, but this large undulating green will make finding a short birdie putt difficult.
18	This reachable par 5 finishing hole can provide a great finish end to the round. The water off the tee will only affect the longest hitters, but all players will have to deal with the water eventually. Players hitting to this green with second or third shots will face water lining the left side and bunkers protecting the right side. This birdie hole can give some chances at eagles.

HOLE DESCRIPTIONS -SEASIDE COURSE - FRONT NINE

Hole #	Front Nine
1	The starting hole is a slight dog-leg left with bunkers protecting the right side of the fairway. After a good tee shot, the player is left with a slightly uphill second shot to a raised green protected on the left by a greenside bunker.
2	A difficult driving hole with marsh and bunker left and water on the right. The second shot to this green can be made very difficult depending on the selected hole location as a bunker and water protects the right side and a peninsula green provides a difficult back pin placement.
3	A challenging par three with a bunker guarding the front of the green. Missing the green to the left will provide a difficult up and down for par.
4	The spectacular par four demands precision off the tee with marsh left and a lake to the right. The second shot to this green is made difficult as a bunker protects the left side of the green and chipping swales fall off on all other sides.
5	A difficult tee shot on this sharp dog-leg right can setup a short iron second shot for the longer hitters or a mid-to-long iron for those playing it safe. The green is protected by a greenside bunker on the right as well as marsh running along the right side and behind the green.
6	A downhill par three protected by a bunker in front and water behind the green. This hole is always made difficult by swirling winds and requires the right club selection.
7	The lone par five on the front side is flanked with water to the right and dunes to the left. A good tee shot, depending on the wind, can leave a player the opportunity to reach this green in two shots. A second shot lay-up is made difficult by the large fairway bunker left and dunes to the right. The green has substantial movement and is protected by marsh long and right.
8	A short par four that provides players with many options off the tee. A 3-wood or long iron off the tee will leave a short, slightly uphill iron in for a second shot. A false front protects front hole locations and a large right greenside bunker protects back right hole locations.
9	A long par four with a bunker protecting the left side of the fairway. After a good tee shot, players will be left with a mid-to-long second shot to a green protected by a large greenside bunker to the left.

HOLE DESCRIPTIONS -SEASIDE COURSE - BACK NINE

Hole #	Seaside Course – Back Nine
10	Not an extremely long par four, but one that requires two solid golf shots. With water left and a large bunker to the right, a solid tee shot is a must to be in a position to attack this raised green protected by a large bunker both front and right.
11	A difficult tee shot as bunkers flank both the right and left sides. Longer hitters can carry the bunker leaving a short iron in for the second shot. The green tilts from back to front and is protected by bunkers right and left as well as marsh long.
12	A long par three that is at the mercy of the wind. Playing to the center of the green, regardless of the selected hole location, will be the aim of all players. A large bunker protects the right side of the green making it attractive as players must negotiate the marsh short and left.
13	This signature hole plays once again at the mercy of the wind. Players have to negotiate the marsh running the entire left side of the hole while paying attention to three large fairway bunkers protecting the right side. An uphill shot to a green protected by a large front bunker makes birdie on this hole a bonus.
14	This long par four is set up by the drive. Players must play far enough left to avoid the large oak trees that can inhibit the second shot on this hole, while avoiding the marsh to the left. Set upon the Atlantic, wind is always a factor here and while there are no bunkers guarding the green, marsh runs the entire left side making the swales right of the green a common place to play third shots.
15	Long hitters can carry the fairway bunker stretching across the left side to have a shot at reaching this par five. For those unable to carry the bunker, they must play right on the tee shot and lay up for a short third shot. The raised green is very well protected with bunkers left and right and back hole locations can provide a very difficult two putt.
16	This signature hole requires thinking on the tee. With a tidal creek running the entire left side of the driving area, players will hit their tee shots out to the right, but the farther right you play, the longer the second shot to the well protected green. A bunker protects the green on the front, right side while a false front runs the entire left side.
17	Once again, the wind plays a large part in this hole requiring correct club choice. Two large bunkers protect this large green that provides multiple hole locations.
18	A great finishing hole that requires both length and accuracy off the tee. At 470 yards, players have to negotiate fairway bunkers both right and left to have a second shot into the green protected by bunkers both left and front right. A great finishing hole that can provide great shots for a dramatic finish.

CHARITIES

In 2013, The RSM Classic had an economic impact of \$10.6 million on Georgia's Golden Isles according to an analysis by the Bureau of Business Research and Economic Development at Georgia Southern University. By all indications, this number has continued to grow. It's clear that the real winners are the individuals served by Special Olympics, the Boys & Girls Club of Southeast Georgia and many other local, regional and national charities who focus on children and families. The RSM Classic is proud to continue the tradition of giving back to the community – which is such an integral component of the PGA TOUR – and to support such worthy organizations. In its first twelve years, The RSM Classic has raised almost \$29 million for charity.

BIRDIES FORE LOVE

The RSM Power of Love program is a giving platform tied to The RSM Classic, focused on supporting organizations that help build the middle market leaders of tomorrow. The program has two primary components:

RSM employee giving challenge

Each year RSM owners and employees volunteer and raise funds for charities in their local markets that are aligned with the missions of the RSM US Foundation and the Davis Love Foundation. In 2021, the program raised more than \$4.8 million for 70+ charities in the communities where RSM employees live and work.

The strong fundraising through Power of Love, coupled with matching contributions from the RSM US Foundation and proceeds from the tournament, has brought the program to total to nearly \$29 million donated over the first 12 years of the tournament.

PGA TOUR on-course competition

In collaboration with the PGA TOUR, RSM Birdies Fore Love will again donate \$1 million to charitable organization through an on-course competition throughout this fall.

In addition to weekly winners, the top three players who accumulate the most birdies (or better) throughout the fall will earn \$300,000, \$150,000 and \$50,000, respectively, for children- or family-focused charitable organizations of each player's choice.

Last year, Tom Hoge and Talor Gooch tied for first place (141 birdies or better) to win the overall program, and both received \$300,000, followed by Sung Kang (135) winning \$50,000. Hoge chose to spread the love and donate his winnings to the North Texas PGA Section, the Minnesota PGA Section, Cullen Children's Foundation, GiGi's Playhouse Fargo, and Cook Children's Hospital. Gooch used his earnings to start the Talor Gooch Foundation.

CHARITIES - CONTINUED

FRIENDS OF THE FOUNDATION

The Friends of Davis Love Foundation helps raise money for charities participating in the program. Each charity sells raffle tickets. Raffle participants have a chance to win a car from Nalley Buick GMC Brunswick. Charities receive 100% of the money collected through the raffle along with a \$50,000 bonus pool.

WIFFLE® BALL CLASSIC

This event is hosted by the Davis Love Foundation and the PGA TOUR Wives Association. PGA TOUR pros compete against their wives on the baseball diamond. Local students participate on each team. Proceeds benefit Firebox.
