**Today** – Mostly cloudy to start the day becoming a mix of sun and clouds by late morning out ahead of a weak cold front set to move through tonight. There is a slim chance for a light shower or area of drizzle, with little to no accumulation expected. North-northwesterly winds will turn north-northeasterly and become light towards the end of the round. The temperature will peak around 74°F.

**Sunrise: 6:55am / Sunset: 5:26pm**
