**Extended forecast** – Southern New England will be stuck in a stormy weather pattern through the weekend and into early next week. Showers are likely Friday morning with scattered thunderstorms Friday afternoon. Temperatures will be a bit warmer on Friday with a high in the upper 70s. Scattered showers and thunderstorms are possible on Saturday with more widespread thunderstorms forecast on Sunday. Temperatures will warm into the lower 80s this weekend with increased humidity across the region.

Forecast prepared by meteorologist Wade Stettner.
