Today – Mostly cloudy skies and breezy conditions can be expected this morning ahead of an approaching cold front that will slowly move southward today. Scattered showers and a few thunderstorms will become likely between 1-5pm as the front moves through Central Florida. Brief heavy downpours will be possible during this timeframe before showers taper-off this evening. Highs today will likely reach the upper 70s to near 80 degrees before cooling into the 60s this evening behind front.
