**Today** – Partly cloudy skies can be expected today with highs warming into the low 80s this afternoon. A complex of thunderstorms over Ohio/Indiana will move to the southeast as we go through the day and will likely reach the mountains to our northwest by mid-afternoon and could move into the Charlotte area between 6-8pm if this complex can hold together before dissipating. Otherwise, it will be a breezy day with winds out of the southwest 10-15 with a few gusts to 20 mph.
