Today – Overcast with showers likely throughout the day. Rainfall intensity is currently light but should become moderate over the next couple hours as a frontal boundary over the ocean drifts back to the northwest. Temperatures will hover in the low 60s (16-17°C) throughout the day. Northerly winds this morning will turn north-northeasterly at 8-13 mph this afternoon, with a few gusts to 15 mph possible.

Forecast rainfall through 6pm: 0.40" – 0.80" (10-20mm)
