Additional Notes

- The nines are flipped for the tournament to provide better spectator views and finish.
- Timuquana is 100 years old this year. The facility borders a naval airbase, which is the birthplace of the Blue Angels.
- Upcoming work includes a performance center, additional practice areas and continued drainage work and native area improvements.
- The 2022 renovation included green construction, grassing of greens, tees and fairways, drainage, irrigation and native areas expansion. Most significant changes were new green complex on 11 and additional bunkers on left of 18 and moving greenside bunker closer to the green.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
