**Extended Forecast** – Partly cloudy skies are expected overnight into tomorrow with mostly sunny skies on Sunday into early next week. Lows will be in the lower 70s tonight dropping into the upper 50s with highs in the mid-80s tomorrow dropping into the mid to upper 70s Sunday into Monday. Afternoon wind gusts will be in the lower 20s over the weekend dropping to near 15 mph by Monday. As a cold front moves across the region on Saturday, noticeably cooler and drier air will push across the region by Sunday.

Forecast prepared by meteorologist Marcus Hustedde.
