Additional Notes

- The tournament is playing in its third different month in the last three years (2021-July, 2022-August).

- Area had driest May on record. Course conditions should be similar to last year when there was a drought.

- Susquehanna River flooded holes 12-16 on May 1, but that was the last rain.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
