Rule 3.3b Scoring in Stroke Play reads in part: After each hole during the round, the marker should confirm with the player the number of strokes on that hole (including strokes made and penalty strokes) and enter that gross score on the scorecard. When the round has ended:

- The marker must certify the hole scores on the scorecard.
- If the player had more than one marker, each marker must certify the scores for those holes where they were the marker, but if one of the markers saw the player play all of the holes, that marker may certify the scores for all the holes.

During the round, the player should keep track of their scores for each hole. When the round has ended, the player:

- Should carefully check the hole scores entered by the marker and raise any issues with the Committee,
- Must make sure that the marker certifies the hole scores on the scorecard,
- Must not change a hole score entered by the marker except with the marker's agreement or the Committee's approval (but neither the player nor the marker is required to make any extra certification of the changed score), and
- Must certify the hole scores on the scorecard and promptly return it to the Committee, after which the player must not change the scorecard.

If the player breaches any of these requirements in Rule 3.3b, the player is disqualified.
