Larry Cain, Equipment Manager

Jeff Waber, PGA Professional

Number of Employees: 32

Course Architect

Architect (year): Joe Lee (1978)

Renovation Architect (year): Gene Bates (2004), Rees Jones (2022)

Renovation Notes

Course re-opened in late January 2023. Bunkers were moved or added on every hole, greens were dropped in elevation or pushed right or left on every hole. Holes 10 and 18 were re-routed and now play in opposite directions than before. New forward tees were added to provide 7 tee placements on every hole.

Tournament Fact Sheets for the PGA TOUR, LPGA, PGA TOUR Champions, Korn Ferry and Epson Tours and USGA and PGA of America championships can be found at: <https://www.gcsaa.org/media/tournament-fact-sheets>

Additional Notes

- This year's tournament will play the holes in regular order finishing on the club's 18th hole instead of 16 as in the past.
- Course is built on land that used to be a pineapple farm.
- Honey is produced from the 12 bee hives on the course, bottled and given to membership, bartenders for drinks and chefs to cook with.
- Course is both Audubon and GEO certified.
- Wildlife on the course includes birds, alligators, fox, racoons and the bee hives.
