FINAL ROUND

BERNHARD LANGER
(Final Round 1-under, 70 – 9-under, 204 for the tournament)

MODERATOR: Not the outcome you wanted, can you just talk about today's round?

LANGER: Yeah, they got off to a great start, Both of them, Birdie Birdie, first two holes and Padraig played amazing. So it's always behind trying to catch up. I played pretty good, I was four under for the front nine but still lost distance to the leader. And then made a horrible bogey on eleven. And then just bad shot on seventeen, sorry, fifteen, the old seventeen. And then really bad on seventeen, so the finish was disastrous really, last whatever eight holes, last seven holes, I was four over from three over from that. So that's not what I hoped for.

QUESTION: Can you just talk about Padraig around today?

LANGER: Yeah, he played really, really well. He played flawless, he played a bad tee shot on nine into the water, that was his first bad shot, but up to that point he was six Under or seven under, I don't even know, he seemed like he birdied every hole. And then continued to play very solid, made a great save putt on nine, because if he had made double bogey there, the lead would have shrunk to one. He played solid the rest of the day, till seventeen and he probably played safe away from the water.

QUESTION: And lastly just talk about the fan support out here this week in Boca.

LANGER: Yeah, it was good, it was great for me anyways because I had a lot of friends and family and people I know, so I enjoyed seeing a lot of those people that I hadn't seen for a few months or weeks. I don't know what the overall turnout was, but I think they did a great job running the event. The event should be known to the public better, so hopefully we'll continue.
