FINAL ROUND

CHARLIE WI  
(Final Round 7-under, 64 – 9-under, 204 for the tournament)

WI: This is such a touch course, my plan this week was to make a bunch of pars and try to make some birdies when I had the opportunity. I played really well today and made some nice putts.

(Wi's chip lipped out on 18, leaving him 37th on the Charles Schwab Cup standings after starting the week 54<sup>th</sup>.)

WI: I'm not sure what's going to happen, but I was so far back everything is a blessing. I'm sure I'll get into a lot of tournaments next year.
