Today – Partly cloudy skies this AM will gradually give way to mostly cloud skies beyond noon. A few sprinkles are noted pushing over the eastern slopes of Bogota but will fall apart on approach. Dry air pushing into the region will limit shower chances throughout the course, but a few isolated/light showers remain possible beyond 12PM. Temperatures are forecast to top out near 70F (21C). Variable winds this AM will gradually strengthen out of the E/SE, only peaking near 8-10mph through the early PM.
