Quotables

Max McGreevy on his bogey-free 9-under 62... "I just gave myself a lot of looks, it's kind of what you've got to do out here. Luckily, was able to make a couple of putts early and just kind of feel comfortable. Found a couple of things on the driving range this morning. Honestly, my swing wasn't feeling very good leading up till today, so just felt right down the line today and wasn't really worrying about missing it left or right type of thing. Just kind of freed me up and just needed to make a couple putts, and luckily, I did."

McGreevy on bringing home a win this week... "Yeah, winning's always what we want to do. The main goal out here is to get to the next stage and hopefully we can do that by the end of the year. Adding a win on the circuit at some point in the year is always what's kind of on our calendar and we're putting in our notes and stuff like that. It's going to be a shootout, this place is what it is. I'm going to play against myself and let everybody else try to catch me and just see what we can do."

Austin Greaser on his play this week... "Yeah, I'm hitting it pretty solid. On top of that, I'm putting it really well. I was seeing lines really good, my speed's been good. Hit a nice one there late on 16 probably, I don't know, 45 feet or so. Always nice to see some putts go in, kind of start to get some momentum, it feels like you can make every one. Right now it's kind of where I'm at."

Greaser on making his first career cut... "Yeah. Yesterday I felt like I had it in the bag with the last few holes to go there as long as I didn't limp in, but yeah, it feels good, it feels like kind of the monkey's off the back a little bit. No matter what it is, I get to cash a check this week for the first time as a pro, so I'm really excited and that's pretty cool. This is kind of where I see myself. Like I said, it maybe took a few weeks to get my feet underneath me, but I'm playing the golf that I'd like to play now. Whatever tomorrow brings, we don't know, but we'll do our best."
