Quotables

Thomas Rosenmueller on his round Saturday... "I made some longer putts today, which really helped. Made a great up-and-down on No. 5 after hitting it long right, close to the high stuff. It was just overall a lot of good golf shots, a lot of good 10-footers that I made, and 15-footers, which was different from yesterday. Yesterday I didn't really make any left-to-right putts, and today I felt like I made every single one I was looking at. That was a nice positive change to see the work I put in yesterday after Round 2."

Rosenmueller on what the easiest thing to do in the final round will be... "Go and have fun, I think that's the easiest for me. That's what I've tried to have as a mantra this year, really have fun out there because that's when I play my best golf. It was a lot of fun the last three days and just trying to keep that going tomorrow."
