Extended forecast – Dry conditions likely persist through the day Saturday, however clouds will be increasing. The threat for rain returns to the forecast Saturday night and more so Sunday into Monday. However, there remains significant uncertainty regarding rainfall timing/amounts on Sunday. For now, rain chances will be maxed out at 40% and rainfall amounts kept under 0.25". Confidence in rain/lightning is higher on Monday. Winds through the weekend will favor a southerly direction with speeds under 15 mph.
