Additional Notes

- Intermedia cuts expanded to bring bunkers more into play.
- Windy spring has made managing bunker sand depths a challenge and very labor intensive.
- Warm dry year with just ½" of rain from May 1 to June 15 (2" below average).
- Malloy earned CGCS (Certified Golf Course Superintendent) status in 2023.
- The maintenance department was named the TPC maintenance operation of the year in 2023.
- The Ascendant was tabbed the Korn Ferry Tour event of the year in 2023.
- There is a Heron Sanctuary in the reservoirs that border the course.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 20,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
