Today – Cloud cover will fill in across the area this morning then eventually transition to a mix of sun and clouds this afternoon. Otherwise, warmer, breezier and dry conditions can be expected today. Southerly winds should pick up quickly this morning, eventually becoming sustained at 10-16 mph this afternoon. Gusts of 20-25 mph can also be expected. Temperatures will reach the middle 80s during the afternoon.

Extended forecast – Warm and breezy conditions can be expected this weekend. Sustained south winds between 10-16 mph will be in place Saturday/Sunday with gusts over 25 mph possible. Dry conditions will also persist for much of this period, however a low threat (25% chance) for showers/T-storms remains warranted Sunday afternoon. A more substantial threat for shower/T-storms likely develops Sunday night into Monday morning.

Forecast prepared by meteorologist Kyle Koval.
