Extended forecast – Pop-up showers and thunderstorms are possible both Saturday and Sunday afternoon as monsoonal moisture drifts back into the region. After 1pm each afternoon anticipate a 20-30% coverage of showers and thunderstorms – with the higher probabilities forecast to occur on Saturday afternoon. Light and variable winds each morning will turn west-southwesterly between 12-2pm, increasing to 7-13 mph (11-21 kph) along with sporadic gusts near 15 mph (24 kph). Temperatures start out in the mid 40s (7°C) this weekend prior to warming to a high near 90°F (32°C).

Forecast prepared by meteorologist Joe Halvorson.
