Today – A dry cold front will be pushing through Memphis this morning and moving into Mississippi during the afternoon. This will allow less humid air to overspread the area by mid-afternoon making for more comfortable conditions as get into the evening hours. Temperatures will be hot once again with highs reaching the low 90s. A northwest breeze will increase to 10-15 gusting to 20 mph during the afternoon as well.

Sunrise: 6:23am / Sunset: 8:12pm

Monday	8am	10am	12pm	2pm	4pm	6pm
