7 AM Weather Update

Saturday, April 13, 2024

Synopsis: Sunny skies will help temperatures warm nicely today with highs reaching the mid to upper 70s this afternoon. The wind will not be as strong but will remain breezy out of the WNW 10-15 mph. Gusts to 20-25 mph can be expected between 11AM-5PM before decreasing this evening. Mostly sunny skies and above normal temperatures are forecast for Sunday and Monday with highs in the mid to upper 80s. The wind will remain light out of the southwest and likely average 7-15 mph each day as well.
